ON HAND · www.claimsaverplus.com

Every URL ending

Full address is the host plus the path, e.g. www.claimsaverplus.com/demo. Patients pay $499. Clinic dashboard price is quoted on the 15-minute demo — not listed publicly.

Do not hand out a generic /enroll URL. Each signed clinic gets its own /enroll/[code] from Admin → Clinics after the BAA is marked SIGNED. Canvassing = /demo. Explainer = /for-clinics.

Hand these out

`/enroll/[code]`	Referred patients	Unique invite after BAA is SIGNED. Never print a generic enroll URL.
